Nothing really, y'all did great!!

The singing bus tour was a bit ill planned, the organizers seemed to under time the travel involved

25/05/2017 10:10 PM

- provide an opportunity for an auditioned choir with participants over age 25

25/05/2017 10:25 PM

nothing.

I am very satisfied with this year's event. Only thing I would say would be indicate lunch time on the gala concert day in the schedule. However, the information about meeting time was well communicated on the day of. Only thing I felt like we rushed was that we didn't have much time to rehearse on stage and got a bit confused about which way to go. If possible, it'll be great if we can find some time the day before or the day of to actually go through how to get on/ off the stage, and have a chance to rehearse longer on stage. This is pretty minor, and I know the time is usually tight!

25/05/2017 11:04 PM

---

Made it so that everyone could attend the full end concert.

25/05/2017 11:29 PM

---

More communication prior to the event regarding the schedule (like sending an email a day or two before with the finalized schedule)

26/05/2017 12:00 AM

I would have done differently is a better ice breaker for the singers

There isn't anything I would change it was a great weekend!

26/05/2017 4:59 AM

---

I would have added a bit more free time most likely.

26/05/2017 2:54 PM

---

Honestly just given us more time to be kids. Let us mingle freely, don't push the schedule so hard. I had trouble catching 8 hours a night. If that means doing 1 less piece of music then so be it. Without having that connectedness, trying to sing our hearts out feels a tad forced to me

26/05/2017 8:06 PM

---

Allotted more time to the bus tour or other similar group activities (that still benefitted the knowledge of the repertoire).  
Atleast one sectional during rehearsal process.

26/05/2017 8:10 PM

---

Not include the big bus tour. Except for the cathedral

26/05/2017 8:28 PM

---

Nothing!

27/05/2017 1:05 AM

Pre-event communication was really good. Some of the details during the weekend were a little unclear, especially the bus/walk plan downtown, as it was given verbally and had several variations of walking and meeting the bus. Perhaps each chorister could have been given a slip of paper with this information. I was also confused about where exactly to go at the University Centre Sunday morning, but I think this was probably organized by the main Chorfest committee, not the Young Adult stream.

Ice breakers could have been more organized

N/A All of it was amazing

1/06/2017 6:16 PM

Nothing. It went as smoothly as it could've and I had run I would've wished for a journey as smooth and delightful as that.

Try to do it less expensive for students.

Can't think of anything specific

26/05/2017 2:54 PM

---

Do 1 less piece of music and give us more time to hang out

26/05/2017 8:06 PM

---

Continue offering the young adult choir !!

26/05/2017 8:10 PM

---

Have the age limit start at 19 and go until 29 years old. Don't include high schoolers

26/05/2017 8:28 PM

---

Nope!

27/05/2017 1:05 AM

---

The energy and the repertoire really "made it" for me this weekend. The songs we performed were well-suited to this age group, and I hope future Chorffests will continue to choose generation-appropriate music.

27/05/2017 8:37 PM

---

Keep the young adults choir, it's not as daunting to sing without having to audition, and gives people in the 25-30 age range a chance to sing with a younger group, and be a good example to younger singers.

1/06/2017 1:35 PM

---

Ice breaker games?

1/06/2017 3:12 PM

---

Perhaps let the choristers see more of Victoria by performing or maybe mingling as a group in more locations?

Had a lot of fun learning and performing the music! Scott was awesome to work with!

It was just amazing!!! Thanks for this special experience!

Powell river person here, sucked that we couldn't stay the whole time. And there should have been more ice breaker, and acquaintance games, so that we got to know each other better. Scott leithead was amazing!

What a fantastic weekend! Such a great opportunity to work with so many talented people.

26/05/2017 4:59 AM

I had a really good weekend singing, and met tons of great people.

26/05/2017 2:54 PM

It would have been really nice if Friday night and Sunday night were swapped: given us time to socialize freely on Friday night with maybe a later start time Saturday AM. The experience would have been much more intimate and special for me had I gotten to know my fellow choristers as well as I did after the fact.

26/05/2017 8:06 PM

---

Thank you so much for presenting this opportunity! I loved my experience this past weekend, working with Scott and Nelson, and such a dedicated and passionate group of singers only strengthens my love of music :) It would have been nice to have a bit more time getting to know our fellow choristers, I got the opportunity after the concert on Sunday and wished that I'd been able to feel that closeness through more of the weekend. Perhaps a sectional as well, even if just for the sake of identifying voice types and finding a good blend. Overall I would say it was an overwhelming success ! !

26/05/2017 8:10 PM

It would be great to have a choir for just 19-29, year olds. We had a 14 year old in the choir and some high schoolers who were immature and distracting. Otherwise, it was amazing!

Best weekend of my life! So much happiness and joy!

The chorfest experience was inspiring and made me forget about all of my regrets on traveling and school stress. Thank you so much for making this event possible and allowing me to be apart of it!

Scott Leithead made this event, I'm not sure how we'll top that!

it was just great!

Although it was the first year of young adult choir, I thought it was very organized and well prepared. Schedule that was provided was very helpful and a chorfest bag was very useful. Gordon and Christine, you did a great job making this event happen!! Thank you so much for giving an opportunity to sing for people who aged out of the bc youth choir! I can't wait to attend chorfest next time!

25/05/2017 11:04 PM

Overall amazing experience! Can't wait to come again next year

Scott is amazing

I again would really like to thank everyone who put in so much time and energy into making the young adult choir happen. Being in my 20's it definitely a struggle to find the time to be in an involved choir that can challenge me musically, or to even find a choir that has people my age in it that I can relate to. So being able to come for a few days, learn a ton of music and meet some really incredible people is something I really appreciate. I hope that the young adult choir will happen again next year and that I'll be able to attend. Thank you again!

Thank you again. This weekend meant so much to me, I couldn't have asked for a better way to finish off my choral season!

26/05/2017 8:10 PM

The cathedral was amazing, but the rest of the tour wasn't needed.

26/05/2017 8:28 PM
